

BCR® Cleanroom Mops

Efficient cleaning of floors, walls and other large surfaces is critical to the overall cleanliness of the production environment. BCR® Mop Systems replicate the most effective way to clean a surface – wiping. Berkshire's mop systems are easy to use, highly effective and quick.

practical and convenient. The BCR® Cleanroom Mop proves itself on large and small production areas and is ideally suited to distributing or mopping up large quantities of liquids.

BCR® Mop Head 1

- 100% Nonwoven polyester
- Soft, non-abrasive
- Economic and absorbent
